

Barrie, Ontario Community Justice Awareness Event

Friday, July 6, 2007 – 9:00 am (2nd Annual)

Every year in Ontario, thousands of Ontario children and their families are adversely affected and in many cases torn apart as a result of the draconian policies and procedures of the family courts and children's aid societies.

On Friday, July 6, 2006 Canada Court Watch will be organizing a public awareness campaign to help bring to the attention of the public, the plight of children and families being adversely affected by our family justice system and by many of the agencies associated with the family court system.

If you are a parent or a child who has been affected or a citizen who would like to assist your fellow Canadians to bring greater accountability and transparency to our family justice system, then we urge you to attend this event. This will be a good opportunity for individuals and families to network with others who have been similarly affected or who have similar interests.

Participants will distribute literature to members of the public at the local courthouse and throughout various retail and commercial areas throughout Barrie, Ontario. We will also make a surprise visit to the offices of the Simcoe County CAS in Barrie. Children are welcome to participate. In the afternoon there will be a barbecue at beautiful Centennial Park on the south side of Barrie for those who helped. There is a public swimming area and a playground for younger children. Free food and drinks will be

provided to all those who participate in scheduled activities during the day.

Those who wish to participate should call us ahead of time and advise us so that we can schedule their participation with the group and to ensure that we can keep participants informed of any last minute changes. Food will be ordered for those who advise us that they are coming.

Accommodation

For those coming from out of town, there is camping and motels. There is some limited space at the homes of local members.
